Welcome to the event

Religion at the Greenhouse

Exploring the Dynamics and Growth of RESILIENCE

The event marks an important moment in the development of RESILIENCE. It brings together representatives of European and national institutions, research infrastructures, universities, technological partners and scholarly communities to reflect on the broader role of infrastructures dedicated to the **study of religions** and to highlight the progress achieved so far.

Thematic Areas

Research Infrastructures and Policy Making; Serving Research, Building Knowledge; Impact, Innovation and Public Engagement

12:45 Lunch

Afternoon Program

14:00 *Panel: Serving Research, Building Knowledge*

Chair: Francesca Cadeddu. Participants: Roxanne Wyns; Rudy Demo; Joana Butênaite-Switkiewicz; Charles Senard.

resilience-ri.eu

15:00 *Panel: Impacting Research*

Chair: Jelena Brkić Šmigoc. Participants: Herman Selderhuis; Hans-Peter Grosshans; Fabrizio D'Avenia; Eric Vallet.

16:00 Break

16:30 *Panel: Where Ideas Grow*

Chair: Roxanne Wyns. Participants: Anna Mambelli; Riccardo Vigliermo; Thomas Giro; Greg Paulson.

17:30 *Panel: Changing Research, Supporting Information*

Chair: Aurélie Jouvenel. Participants: Marleen Thaler; Hendro Munsterman; Francesca Cadeddu.

18:30 Closing remarks

19:00 Dinner

RESILIENCE

is a European cross-disciplinary research infrastructure serving the study of religion in all academic fields. It connects research centers, data holders and services distributed all over Europe and creates new instruments and services for its scientific community

Funded by
the European Union
