The status of Member offers the opportunity to participate in the FSCIRE's other research programmes (including European Funded research programmes and other competitive projects), the chance to represent FSCIRE on other boards or programmes, teaching opportunities in Italy and abroad and full rights in terms of the acquisition of books, obtaining facilities and travel funds.

If the applicant's email service does not allow sending large files, please make use of WeTransfer.

All applicants will receive a confirmation upon receipt of the files.

Evaluation process

Applications will be evaluated by a commission of 4 members of FSCIRE. If the Commission needs to interview the applicants, they will be notified by email. Applications from all countries are encouraged and equal opportunity policies are implemented and promoted.

Successful applicants must be confirmed by the Board of FSCIRE and will be notified by email within a month from the reception of the application.
